RE: Reinstatement of Village of Granville Water Supply Capacity  
Granville Solvents Site, Granville, Ohio

Dear Ms. Spencer:

On behalf of the Granville solvents Site PRP Group, we are notifying you that the Granville Solvents Site PRP Group has fulfilled all requirements of Section 5.2.e.2 of the Administrative Order on Consent regarding reinstatement of the capacity of the Village of Granville water supply.

Metcalf & Eddy of Ohio, Inc. (M&E) installed and tested new municipal drinking water well PW4. The Village of Granville applied for permission from Ohio EPA to bring the well on line as part of their water supply network. Detailed drawings and test results have previously been submitted to the U.S. EPA.

The Granville Solvents Site PRP Group requests the U.S. EPA's acknowledgment that its obligations under Section 5.2.e.2 of the Administrative Order of Consent have been met.

Very truly yours,

METCALF & EDDY OF OHIO, INC.
